My family, along with three other families, watch your programs on satellite because we only have one satellite dish. We just want to thank you for allowing God to use you to get people saved in Iran. In addition... through your program, **you have brought tremendous awareness to the atrocities of this regime in Iran.**

Your teaching, as well as the support for Pastor P. who is in prison, is **shaking the backbone of the Iranian regime.** I just wanted to let you know that we are praying for you and as a result of your action, Pastor P. has been moved from political cells to the light crime section and it is very likely that he will be released. Please continue your TV program and know that we look forward to having you in Tehran preaching for us every week.

I'm a Muslim convert and I believe your teaching is great and unique. I believe your program is the best Christian program on Persian Satellite TV and I don't think there is anyone out there to **confront the radical Muslim the way you do.** Please count on my support and prayers.

I am a Muslim convert and am very grateful to the Lord that He has put the burden in your heart to **take the spiritual battle out to false religions** so that the resulting exposure of their falsehood will draw many souls to our Christ King.
