Let Me Share How We Are Educating Churches to Understand the Muslim Mind and Connect to the Muslim Heart

Dear Pastor,

My name is Pastor Donald Fareed, a converted Shiite Muslim, Founder and President of Persian Ministry International (PMI). We exist to serve the Lord by communicating the Gospel with Muslims!

You may have heard that Islam has become the fastest growing religion in the world! Over 7 million Muslims live in the U.S. and nearly half a million in the Bay Area alone. The Lord has brought the mission field to our own backyard!

Hearing conflicting information about Islam and how Muslims feel toward Christians, leaves Christians feeling uncomfortable about this Islamic presence. They simply do not know if Muslims are friends or foes?

In addition, there are cultural differences, language barriers, the fear of what to say and how Muslims will respond. All of these play a significant role in hindering Christians from sharing the Gospel and often leaves them feeling angry, apathetic, intimidated or confused.

Many American converts to Islam have a Christian background. The reason is that many Christians do not fully understand the basic tenants of their faith and are not equipped to defend it when challenged by Muslims. This gives some Muslims the opportunity to draw them to Islam. That is why it is important for Christians to know how to defend and communicate their faith.

As a former Muslim, I know firsthand the life-changing power of the Gospel of Jesus Christ. I know millions of Muslims would love to have a personal relationship with a loving God, but they don't. I know they desire to be saved, but they don't know how. I also know about the various teachings of Islam and how they can lead some Muslims to feel angry or even hate Christians. That is why it is very important to know what Islam actually teaches and what to look for when building relationship with Muslims.

We are here to encourage, educate, equip and empower your congregation. With over 15 years of experience in reaching the Muslim community in North America and millions around the world, we have developed effective resources to help Christians to understand the Muslim mind and connect to the Muslim heart.

Let us arm your members in defending and sharing their Faith. Call or e-mail today. I am eager to answer your questions and address your concerns.

**In His Service,
Pastor Donald Fareed**
